

Industrial scales series: **TKW**

Check weighing
scales

www.ormascientific.com

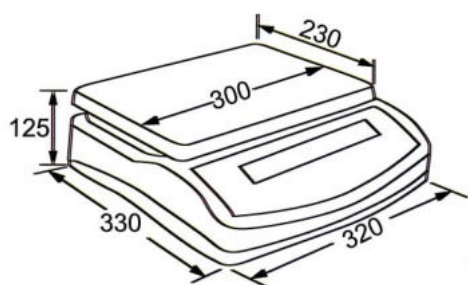

Electronic scale semi-industrial and laboratory equipment, solid tool with stainless steel weighing pan large. With counting functions, setting limits and susceptibility to weigh less.

Model	Capacity	Resolution	Linearity	Pan size
TKW 6	6 Kg	0,1 g	± 0,1 g	225X300 mm
TKW 15 S	15 Kg	0,1 g	± 0,1 g	225X300 mm
TKW 15	15 Kg	0,2 g	± 0,2 g	225X300 mm
TKW 30	30 Kg	0,5 g	± 0,5 g	225X300 mm

Technical specification:

- Display LCD with backlight.
- Precision scale load cell.
- External calibration.
- Automatic tare on completely capacity.
- Parts counting.
- Serial interface RS232.
- Weigh-below hook for below-balance weighing applications. (With-out hook)
- Power supply AC 12V/500mA.
- Rechargeable internal battery 6V 4AH.
- Work temperature 0 - 40 °C.
- Air bubble and leveling feet.
- Net weight 5,1 kg.

Dimension (mm):

Accessori:

- A1-0050** Power supply 12/500 mA (*replacement*).
- A1-0055** Rechargeable battery 6V 4AH (*replacement*).
- A1-0025** Converter RS232/USB with USB cable.
- A1-0030** Connecting cables RS232 9 pole M/M.
- A2-0900** Plastic protective cover.
